Have you cycled on an Oregon Scenic Bikeway or plan to during 2014?

Travel Oregon and Oregon State Parks & Recreation are embarking on an economic impact and user study of bicycle recreation and travel for Oregon's Scenic Bikeways, and we'd love to hear from you!

Not sure if you rode a Bikeway? Head to the survey link below to see a map and details for each of the Bikeways.

The survey takes approximately 10 minutes and will help us improve the Oregon cycling experience for all. The answers you supply will be kept strictly confidential and be used for statistical purposes only.
