Kristin Dahl
Tourism Development Manager
Oregon Rural Tourism Studio

Dear Kristin:

The Waldport Chamber of Commerce is excited about the mission of the Oregon Rural Tourism Studio Program. Waldport's Chamber has a strong desire to promote the wonderful city of Waldport and the surrounding area, increase consumer awareness of what our area has to offer, and bring new opportunities to our members. The Chamber believes this program will give those involved the tools to help set and achieve business goals.

The Chamber is aware of the importance of tourism in our community. The dollars that are earned through tourism have a direct impact on our local economy. It is the desire of the Waldport Chamber to support and promote tourism opportunities that will benefit local and surrounding area business, as well as the local economy.

We look forward to working with Oregon Rural Tourism Studio; you will have our full support. The Chamber believes this will be a great educational and marketing opportunity for our area. Feel free to contact the Waldport Chamber at 541-563-2133.

Sincerely,

Ron Remund
Waldport Chamber of Commerce President
