

Exclusive access to powerful tools for Oregon Businesses

Take your Google Business Profile (GBP) to the next level with Locl. You already know that GBP is the most powerful organic tool in your marketing toolbox. You also know that the interface can be frustrating and time consuming — especially if you manage more than one location.

That is why **Travel Oregon has teamed up with Oregon-based company, Locl, to offer travel and tourism businesses in Oregon a way to supercharge their GBP.**

Locl's platform has everything you need to manage *and* maximize your Google Business Profile without all the clutter.

Get access to advanced features including:

- Data history and attribution with instant 18+ months data vs Google's standard three months
- Publish offers and events for one or multiple locations
- Manage your business reputation with customer reviews notifications, quick replies and keyword insights
- Intelligent and actionable recommendations to drive performance

“ Locl cuts the amount of time I spend managing and optimizing my Google My Business listing by at least 75%. Locl is a must-have for any business and any business owner. ”
