# WHAT IS OTIS?

## ALSO KNOWN AS THE OREGON TOURISM INFORMATION SYSTEM

OTIS is a collaborative platform used for maintaining and sharing Oregon's tourism assets. OTIS unifies the efforts of the tourism industry and helps to streamline listing management and communication.

# KEY LEARNINGS

1. Many hands make light(er) work.
2. Not every partner has listing management capacity all the time.
3. Partners and businesses who are engaged are very engaged.
4. User feedback is invaluable.
5. The more reach OTIS listings have, the better able we are to inform future and returning visitors.
