Consumer Communications Overview

Travel Oregon has outlined a [2023-2025 Strategic Plan](#) in support of the [10-Year Strategic Vision](#).

Travel Oregon's 10-Year Strategic Vision objectives include the following, ensure:

- Oregon's tourism economy is flourishing.
- Oregon is striving to be a place of equity.
- Oregon delivers remarkable experiences.
- Oregon respects its natural environments.

Travel Oregon has prioritized 12 strategies to focus on for the 2023-2025 biennium. Out of these, consumer communications will plan to focus efforts around four strategies, while providing consumer communications support for the remaining strategies. Priority strategies for consumer communications to focus on 2023-2025 include:

- Tell authentic, honest stories accurately reflecting the historic and present intersecting identities and cultures of Oregon's communities.
- Align and support communications across the tourism industry to improve visitor behaviors and experiences with timely information, responsible recreation practices and respect for all communities.
- Increase demand by leveraging Oregon's brand through engagement of broader audiences inclusive of Oregon's diverse cultures, people and places.
- Improve perception of the value of tourism and increase advocacy among industry workforce, residents and policymakers.

This section of the recap includes consumer media coverage earned in Q2 (Jan-March) using the Strategic Plan and 10-Year Strategic Vision as a roadmap for quality, on-message and positive placements in target markets and publications.

New ways to go against the flow

Want to barrel your way through Europe? Or perhaps fall and sail? Here's our pick of the 10 most exciting itineraries by Cruise Critique.

New destination dark Columbia

It's not just the name that's new, but the location. The Columbia River is a beautiful waterway that runs along the border between Oregon and Washington. It's a scenic route with stunning views of the mountains and the ocean. The Columbia River is a popular destination for cruise ships, and it's a great way to see the best of both states.

Barge and way through

Experience the beauty of the Columbia River in a unique way. Take a barge cruise through the river, and you'll see the river from a different perspective. The barges are large and comfortable, and they offer a great view of the river and the surrounding landscape. It's a great way to see the river and the surrounding area.

A few days of paddling

For those who prefer a more active experience, a few days of paddling on the Columbia River is a great option. The river is a beautiful waterway, and it's a great way to see the river and the surrounding area. It's a great way to see the river and the surrounding area.

Haruki Murakami is a traveler. He traveled all over the world, some of which he wrote about in his travelogue. What are the characteristics of Murakami's travels? Let's consider two paperback books about short-term travelogues.

"What on earth is there in Laos?" (Bunshun Bunko) contains 11 journeys. Destinations include America, Europe, Southeast Asia, and Kumamoto.

Let's list the cities that are frequently mentioned.
