

Proposed Project: La Grande Bike Park

Bike Park Elements: From Rollers to Jumps!

Site #1: Pioneer Park

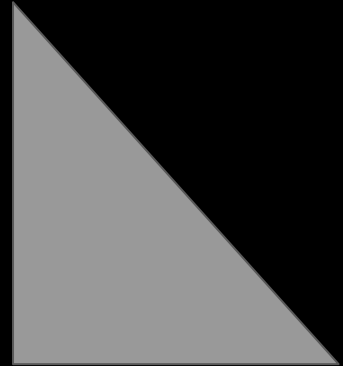

Site #2: Riverside Park

Bike Park Features

Skill-building area where jumps start small and increase in size

Bike Park Features

Easily repeatable
course to build
confidence and skill

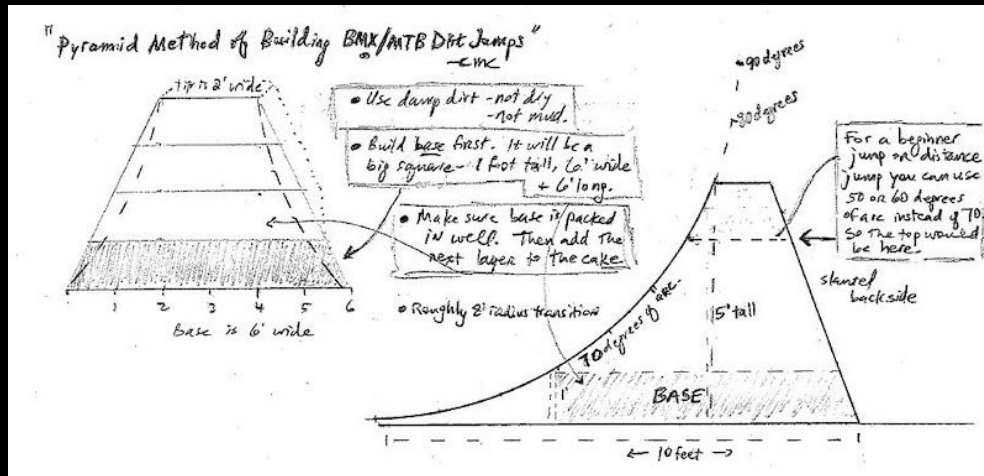

Bike Park Features

Professionally built jumps
ensure safety through math!

Well-built jumps are very safe and perfect for learning.

The park will be designed and built by professionals.

Who benefits from a dirt jump park?

- Bike riders of all ages and abilities
- Travelers coming through town who seek out bikes parks
- Local businesses that provide food and services
- Parks & Rec summer program participants

Thank you for attending the *La Grande Bike Park*
Community Gathering!

Please complete this short survey by Friday, May 2
to provide your feedback on the project!
