Spending Documentation Options

The requirements for how to provide spending documentation depend upon how your region used the funding. Please read the options below to select the appropriate approach for submitting proof of your spending documentation. If you have questions, please reach out to grants@traveloregon.com

Spending Documentation Option 1

If your region's spending was all done as business directly between your Regional Tourism Agency and vendors, contractors and purchases, please upload invoices/expense receipts documenting how your full disbursement was spent. If your spending included a media buy, please include the paid invoices showing the cost(s) and details of the media buy.

Spending Documentation Option 2

Was your region's spending re-issued to third parties through a strategic initiative or grant? If so, please complete the additional questions that will populate.

Choices:

Yes

No

Spending Documentation Option 2 Questions

If your region's spending was re-issued to third parties as a strategic initiative or grant, please use the tables below for each project to show how your region's full disbursement was spent:
